I'm perplexed as to why I can't play this song You may also have the same problem as above after canceling subscription from Apple Music.. Boiler Room: James Blake pres Before (DJ Mix) James Blake Hear Blake's only live gig of 2020—from an empty Regent Theater in LA.. Why does this happen? Because Apple adds protection to all its tracks to avoid the situation that users just sign up and download a bunch of songs for offline listening, then cancel the subscription and run away.
